Theme

Emerging Dynamic Trends for Changing the Landscape of Commerce and Management

- The landscape of commerce and management is undergoing significant changes due to emerging trends. Digital transformation, driven by AI and blockchain, is revolutionizing business operations and customer engagement.
- E-commerce and digital marketing are enabling businesses to expand their reach globally.
- Sustainability and ethical practices are becoming crucial as consumers demand responsible business operations.
- The gig economy and remote work are reshaping workforce management, requiring flexible strategies.
- Data-driven decision-making, powered by big data analytics, is essential for maintaining a competitive edge.
- These trends are redefining business models and the skills needed for future leaders in the field.

About the College	
Lilavati Lalji Dayal Night College of Commerce	Jai Bharat College of Commerce (Night)
<p>Our institution has always strived to achieve and scale greater heights all through and pursue higher goals in education all the time. With a well established school from its inception in 1933 to establishing a junior college of commerce in 1991 it was always a matter of time before the institution started offering a degree college program in commerce. In 2018 the institution scaled a higher peak once more!! The institution received permission to start a degree college for Bachelor of Commerce (B.Com) from the academic year 2018-19. Seeing the demand for professional courses the institution did not rest on its achievements and in the year 2020-2021 received the recognition from the Mumbai University to offer Bachelor of Accounting and Finance (B.A.F) and Bachelor of Management studies (B.M.S). The objective of the institution is "Every child who wishes to get educated can do so and no child should remain illiterate in the Community".</p>	<p>History may not be course offered at Jai Bharat group of institutes, but its story itself is history. Trust initially started secondary school in the name of Jai Bharat High School in year 1950, with Sindhi as medium of instruction in taking into accounts the needs of the residents at that time, has now expanded into providing educational facilities right from pre-primary to graduation level. With taking over chairmanship of trust in 1987 Shri Inder Bhatia with his dedication and devotion he expanded institute by adding junior college of commerce and science, Degree College, accredited center for secondary, higher secondary for National Institute of opening schooling New Delhi for those who can carry out their education through informal schooling system. Jai Bharat also is authorised center for Yashwantrao distance education university Nasik. Jai Bharat College is affiliated with Mumbai University</p>
