**Subject: About counting of Faculties in FDPs**

Respected Sir,

Our faculty has undergone various FDPs during the assessment period and counting the FDP's as only one would be inappropriate. The FDPs were on different topics so counting them as only One FDP attended would be incorrect. All the FDPs are attended to by the staff for their betterment and help them with their development and knowledge. Our staff has attended multiple FDP's and especially in the year 2021-22 and 2022-23.

The counting of only one FDP is not logical as the staff will always be the same and for the same staff multiple FDPs were conducted.

Therefore, we request you to relook and consider the FDP's not as single events and conducted and calculate the % accordingly. The average of FDP's then would surely change.

Thanking You.

Regards,

I/C Principal
