Subject: Details of Bills of Institutional Facilities

Respected Sir,

The institution is incepted nearly 99 years back and constant upgradation of the facilities has been carried out. The bills for railings/ramps and other student centric support activity has been an ongoing activity and the same is not easily available.

However the items required are available in physical form and by visualizing them it can be seen that it is installed over a period of time. Most of these modifications are carried out by the trust year on year and the bills may be available with them to which we do not have access to.

The college is a permanently Unaided/Self-Financed activity and therefore as it is an infrastructural change the Trust endeavors to meet all the requirements.

Thanking You.

Regards,

I/C Principal,
(In-Charge Principal)
