

CRITERIA 1 – EXECUTIVE SUMMARY CRITERIA WISE SUMMARY

LLDNCC ensures Effective curriculum planning through Academic Calendar, Timetable, Teaching plans and syllabus completion report.

Effective curriculum is delivered through – chalk and talk report method, important notes delivery, project-based curriculum delivery and presentation of students based on curriculum. For effective curriculum planning and delivery, HEI provides – Library as a knowledge resource for teachers with a well equipped IT Lab, ITC facilities.

HEI involves students for effective curriculum planning and delivery through students' daily attendance, cognizance of defaulters through parent – teacher meetings.

HEI evaluates the curriculum delivery through regular class tests, semester-end examination and feedback by stake holders.

To increase the chances of students getting skill ready, LLDNCC held 34 added courses of MOOCS/SWAYAM/NPTEL. HEI referred the MOOC's courses from SWAYAM portal with original ITIians resources.

About 84% of students successfully attended SWAYAM courses. These students improved their professional skills, knowledge, confidence, and personality.

Institution integrated in all 10 cross cutting issues in transacting the curriculum.

HEI conducted 02 issues of professional ethics; 02 gender issues; 02 human values and 04 environment sustainability issues as narrative action.

“To learn by doing” and develop skills, HEI arranged project work/internship for students. About 81% of students participated in project-based learning.

HEI operates using feedback as a powerful tool of education of students, alumni, teachers, and employers. Institute collects and analyzes the feedback. HEI also acts for improvement in educational aspects, through feedback.
